## ABOUT OUR CANALS

Lichfield District benefits from many miles of canals managed by charity Canal and River Trust. Places like Fradley Junction are a great place to unwind and start exploring the network – which used to be bigger! The Lichfield & Hatherton Canals Restoration Trust is a local charity working to restore the lost canals. You can enjoy the towpath walks and nature trails they have created at Borrowcop Locks, Gallows Wharf and Fossey Heath Wetlands and Nature Reserve.
